Introduction

The Mining Discovery Edge

Welcome to the official company profile of Mining Discovery, a Mohali-based digital branding and investor engagement agency dedicated to serving the global mining industry. We specialize in empowering mining brands with customized digital solutions that seamlessly integrate news media, creative campaigns, investor outreach, and conference visibility.

Shaping the Future of Mining Communication

This presentation highlights our journey, services, partners, growth opportunities, and roadmap for the future. Whether you are an investor, partner, or mining executive, Mining Discovery is positioned as your trusted ally for building a strong, impactful presence in the digital mining ecosystem.

Mission & Vision

Mission

To deliver timely, accurate mining news and insights while connecting the global mining community with valuable investment and growth opportunities.

Vision

To become the premier digital hub and trusted source where mining leaders collaborate, innovate, and grow their business.

Company Outline

Statement

Our mission is to empower mining companies with impactful digital strategies, combining media, branding, and investor engagement to deliver measurable visibility, stronger stakeholder trust, and global recognition.

Background

Mining Discovery, founded in Bangalore, is a specialized digital media and branding platform for the mining industry. It began as a mining news service and has evolved into a full-service agency offering investor campaigns, media coverage, branding, and global outreach tailored to mining companies.

Market Analysis

Industry Overview

Global mining embraces digital transformation with rising demand for ESG reporting, investor transparency, and stronger branding to attract stakeholders and secure capital.

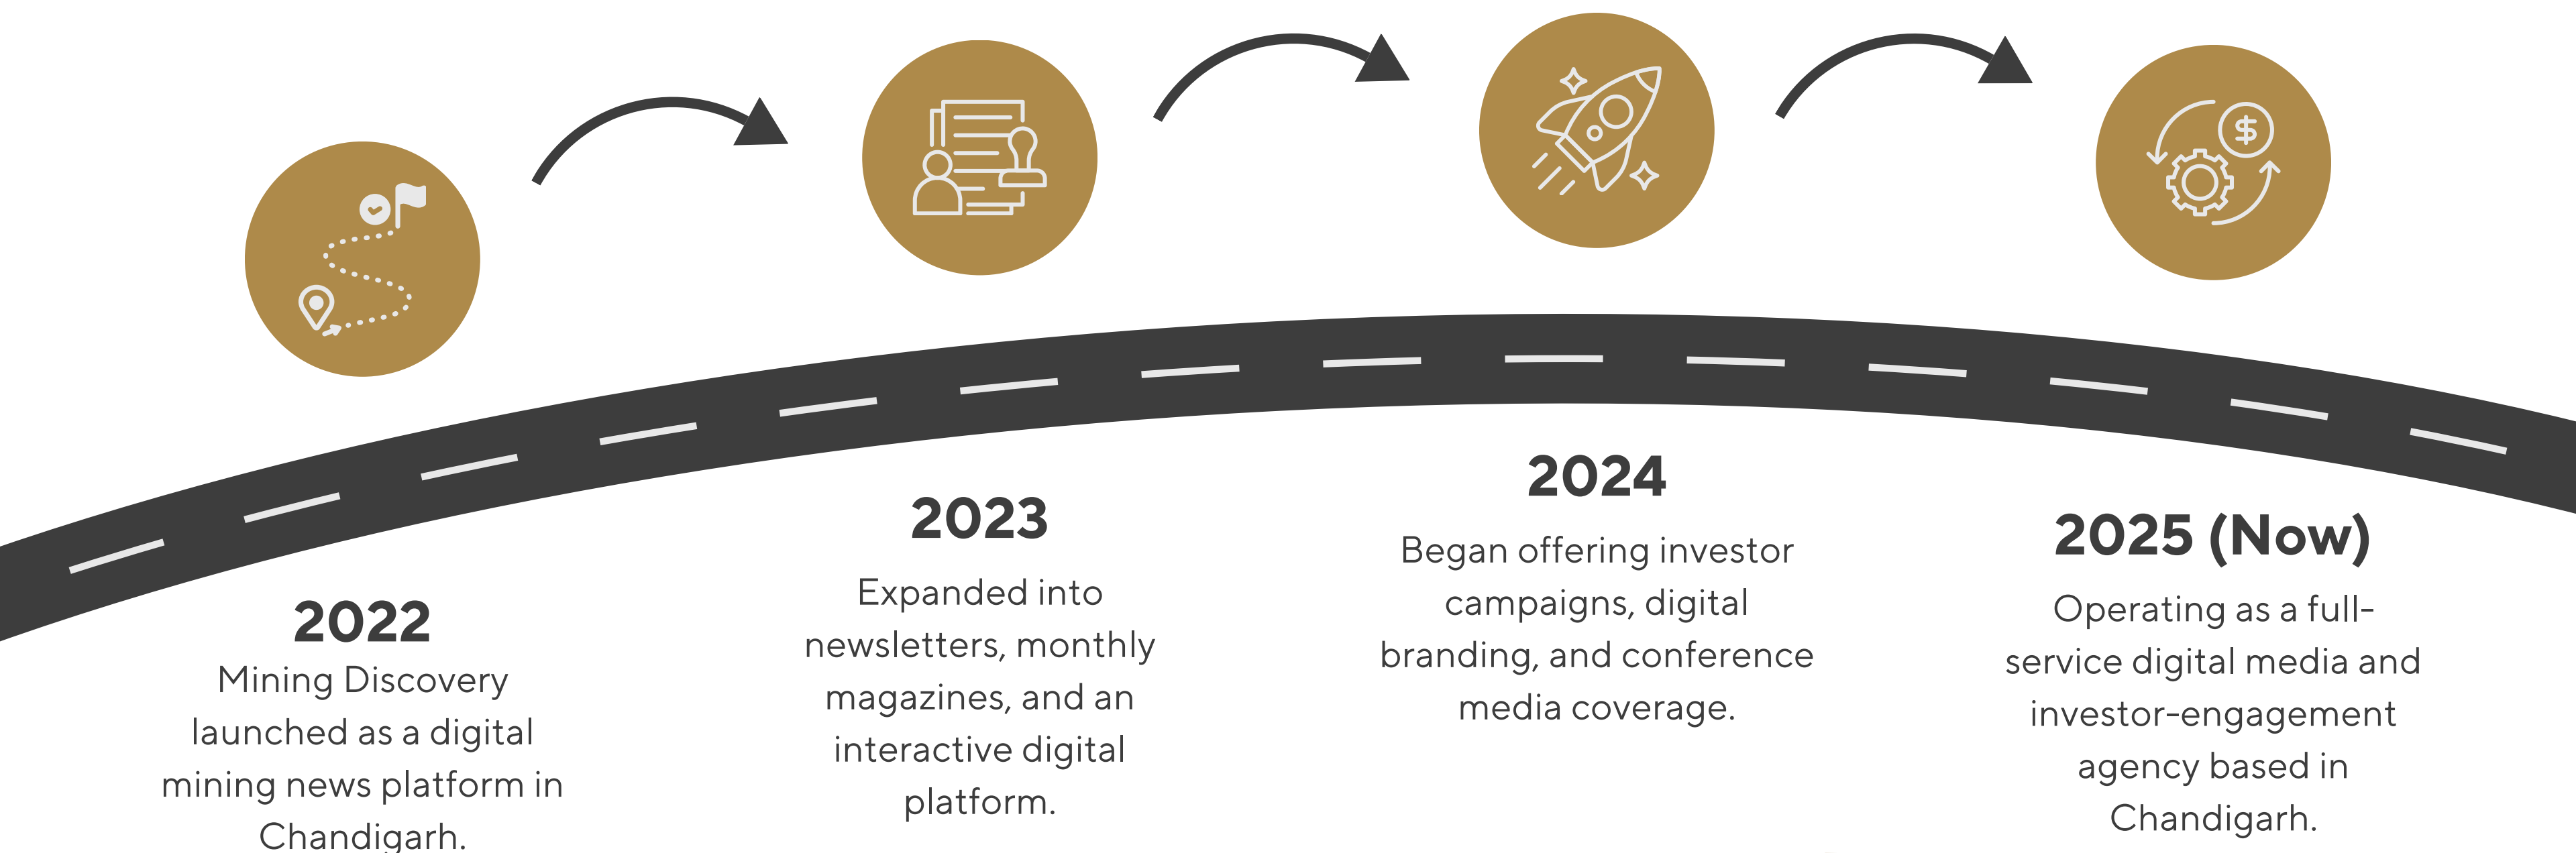

Target Market

Mining companies, investors, and industry executives seeking specialized digital campaigns, global visibility, and media engagement tailored to the mining sector.

Competitive Analysis

Unlike generic agencies, Mining Discovery offers industry-specific expertise, integrating investor campaigns and media platforms, giving clients a competitive advantage in a highly specialized global market.

Company Journey

Our Services

Investor Campaigns	News & Syndication	Digital Branding	Conference Media	Social Growth & Ads	Podcasts & Interviews	Multimedia	Global Outreach	Press Office	Paid Ad Campaigns	Newsletter & Emailer
Targeted outreach to capital markets and investors.	Industry-wide coverage across digital and print.	SEO, PPC, social media, and video campaigns.	Real-time coverage of global mining events.	Paid campaigns and organic audience growth.	Executive spotlights and leadership insights.	Engaging visuals, videos, and graphics.	Connecting globally with key stakeholders.	Managing official news and releases.	Expanding reach with paid promotions.	Regular updates for engaged audiences.

Benefits and Impact

Targeted Investor Engagement

Access to niche mining investors through tailored campaigns.

Integrated Solutions

End-to-end communication—branding, media, and digital growth under one roof.

Enhanced Visibility

Stronger brand presence via news, social media, podcasts, and conferences.

Global Reach

Connects mining companies with stakeholders worldwide.

Measurable Results

Increased engagement, investor leads, and industry credibility.

Industry Leadership

Positioned clients as thought leaders through CEO features, case studies, and conference media coverage.

Management Team

Gourav Sharma

Founder

Gourav Sharma, also known as Michael Clark, plays a key role at miningdiscovery.com, driving strategy, digital growth, and investor relations. With expertise in trend analysis and digital tools, he has expanded the platform's impact. His collaborative leadership fosters innovation, while his focus on sustainability and community engagement ensures responsible, ethical advancement of the mining industry.

Sagar Bakshi

Co-Founder

Sagar Bakshi, Director & Co-founder of Mining Discovery, leads a global platform for mining developments, media partnerships, and corporate updates, while also offering marketing and digital growth services. His strategic vision fosters transparency, collaboration, and innovation. Dedicated to sustainability and ethical practices, he drives international expansion, ensuring Mining Discovery adapts to industry needs while positively impacting communities and the environment.

Our numbers

Core Advantage

Mining Discovery uniquely serves the mining industry by combining specialized news, expert insights, and targeted digital marketing in one integrated platform. This approach ensures mining companies and service providers gain unparalleled visibility and growth opportunities in a rapidly evolving sector.

- **Delivers mining-specific** news and expert insights tailored for industry leaders.
- **Combines digital marketing** with content for stronger partner visibility.
- **Provides an interactive, multimedia platform** for education and engagement.
- **Drives measurable growth** and credibility for partners.
- Offers **direct access to a global mining network**.

One platform to inform, connect, and grow in the mining sector.

Success Story

A recent digital campaign with a mid-sized mining client resulted in:

- 120% increase in qualified leads
- 35% increase in newsletter subscriptions
- Expanded social media engagement by 50%
- More than 12000 subscribers on Substack

Our Clients

The company collaborates with:

- Leading mining associations for knowledge sharing
- Mining service and technology providers for co-branded campaigns
- Regulatory bodies to promote transparency and best practices
- Corporate partners seeking digital transformation in marketing

Partners Value

Mining Discovery empowers industry partners to accelerate growth and amplify their brand impact through a suite of specialized digital services and network-driven opportunities. Here's how partners benefit:

- Tailored digital campaigns to boost brand visibility and credibility in mining.
- Direct lead generation from our engaged sector audience.
- Co-creation of expert content (articles, webinars) for thought leadership.
- Access to executive networking for new business and alliances.
- Data-driven marketing strategies and ongoing support.

Partners experience faster growth, measurable ROI, and greater industry influence with Mining Discovery.

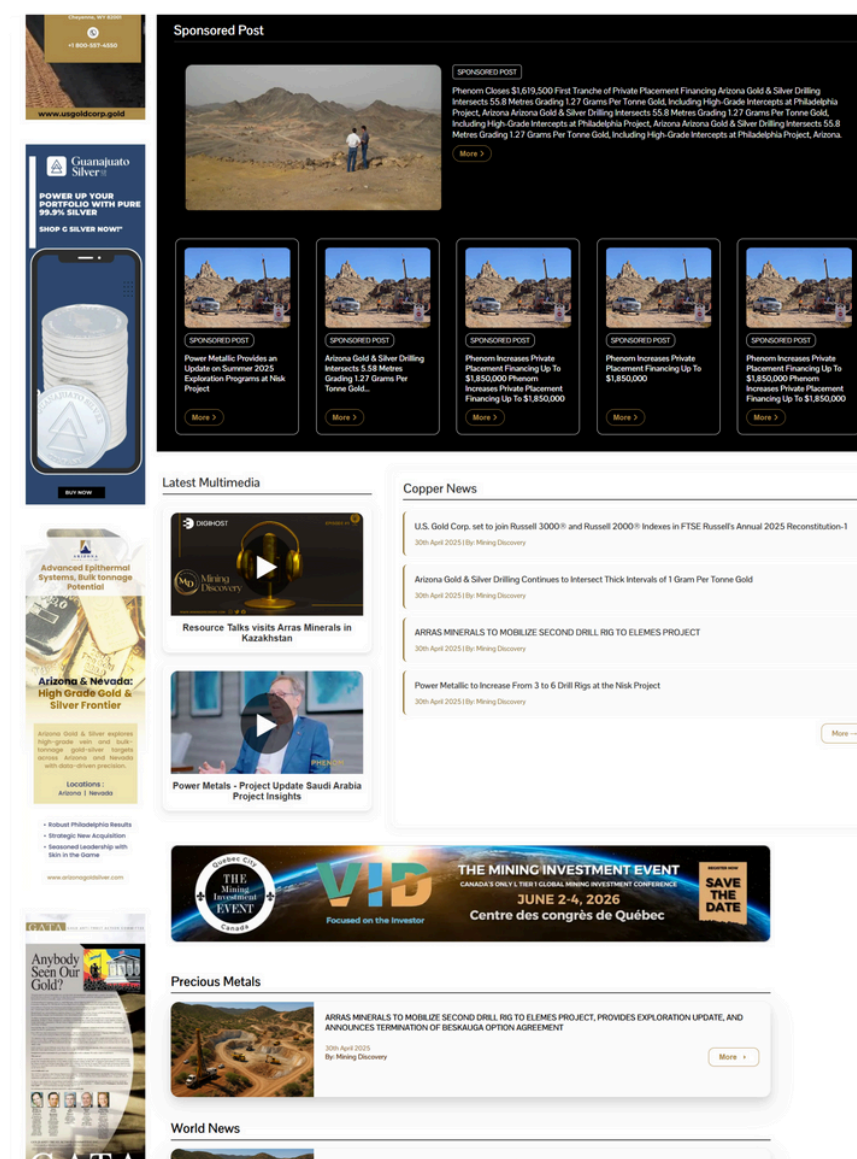

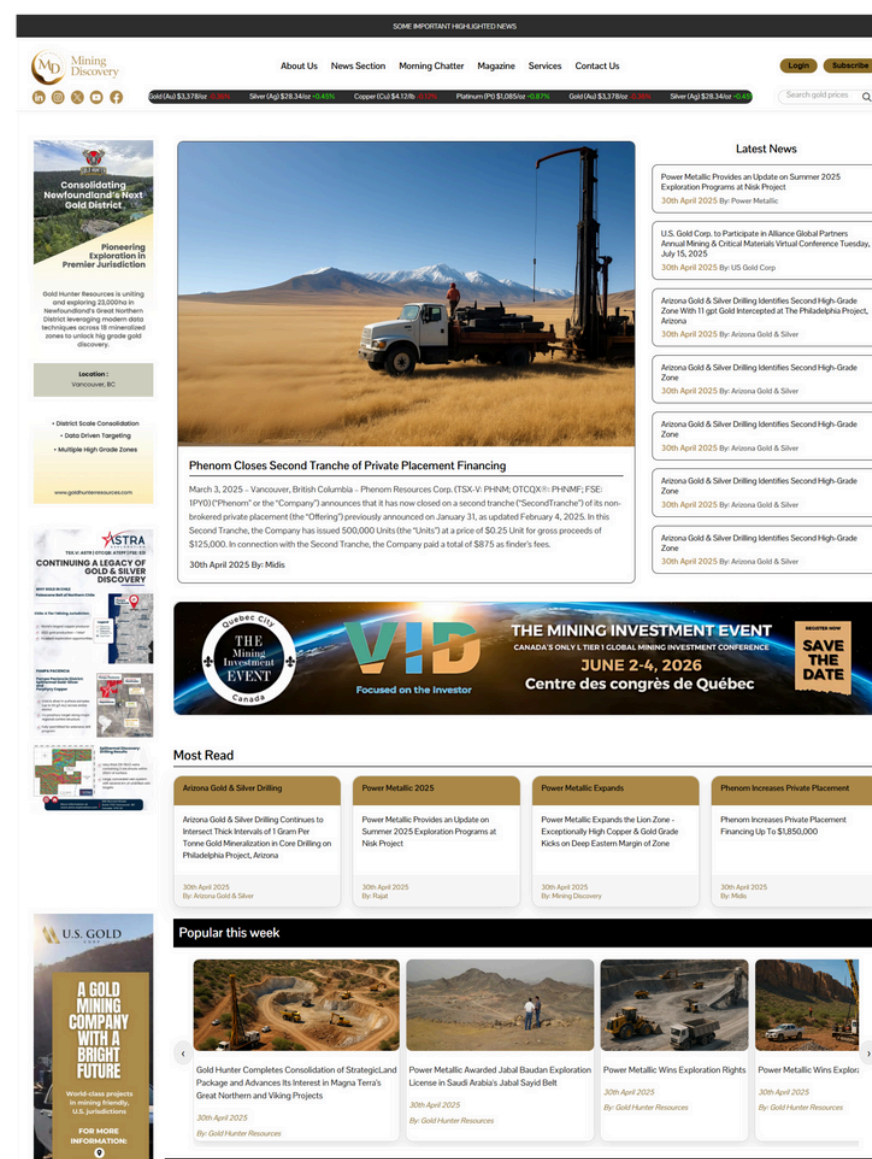

Desktop software

Platform Usability & Applications

Mining Discovery's platform is built to deliver **real-time updates, project visibility, and investor engagement.**

- **For Investors** – Access verified mining updates, media insights, and AI-driven analytics.
- **For Partners** – Showcase projects, strengthen branding, and connect with global investors.
- **For Industry Stakeholders** – Collaborate, track developments, and discover emerging opportunities.

With an intuitive design and multimedia integration, the platform makes complex mining data **accessible, interactive, and actionable.**

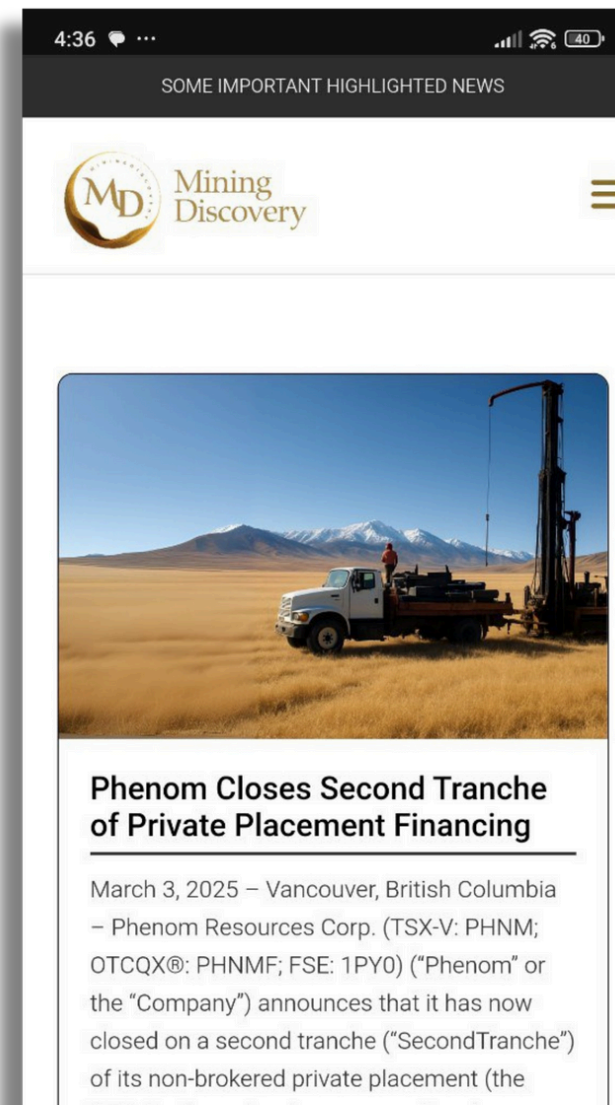

Mobile web

Mobile Platform Usability & Applications

Mining Discovery's mobile-friendly design ensures **seamless access anytime, anywhere.**

- **For Partners** – Update projects and engage investors on the go.
- **For Investors** – Track developments, explore insights, and receive instant notifications.
- **For Stakeholders** – Stay connected with real-time updates and multimedia content.

Optimized for mobile, the platform delivers **speed, clarity, and convenience** without compromising on features.

Social Media Presence

Marketing Record

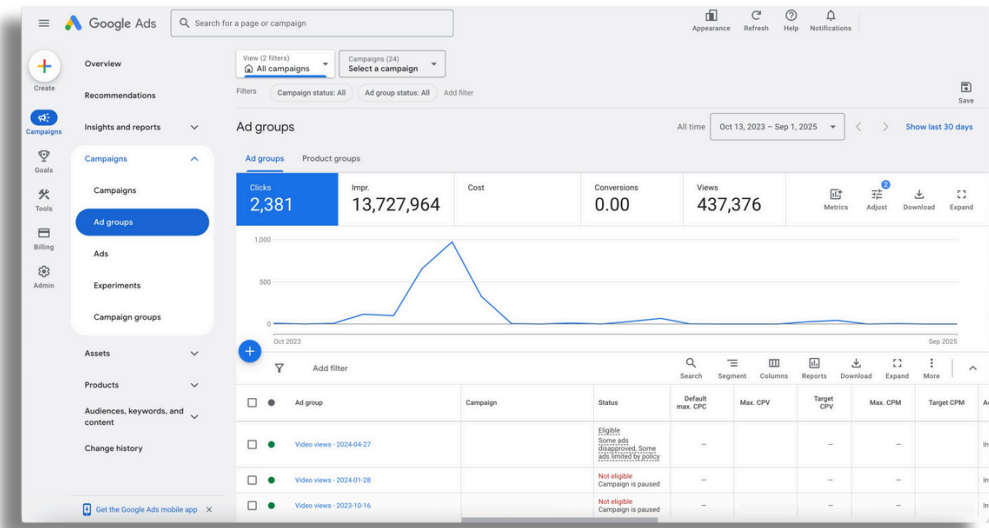

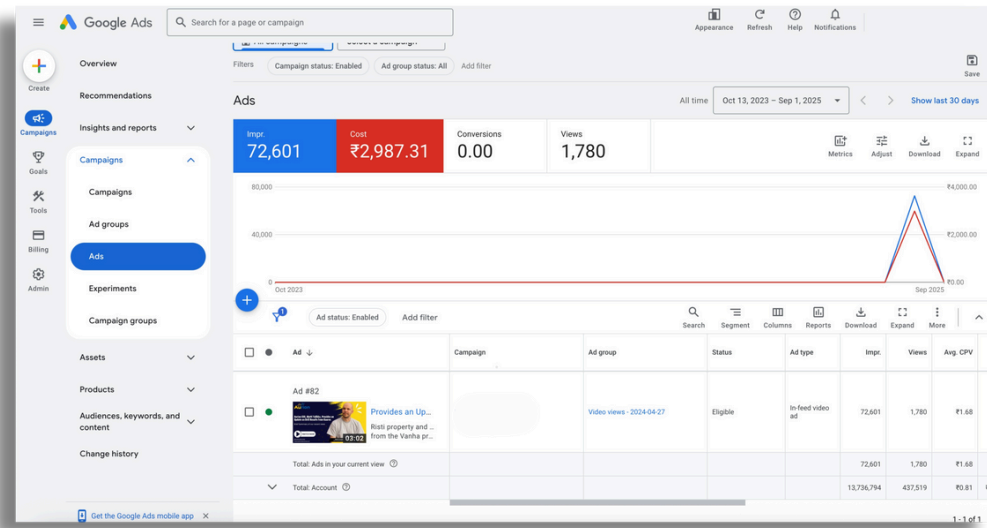

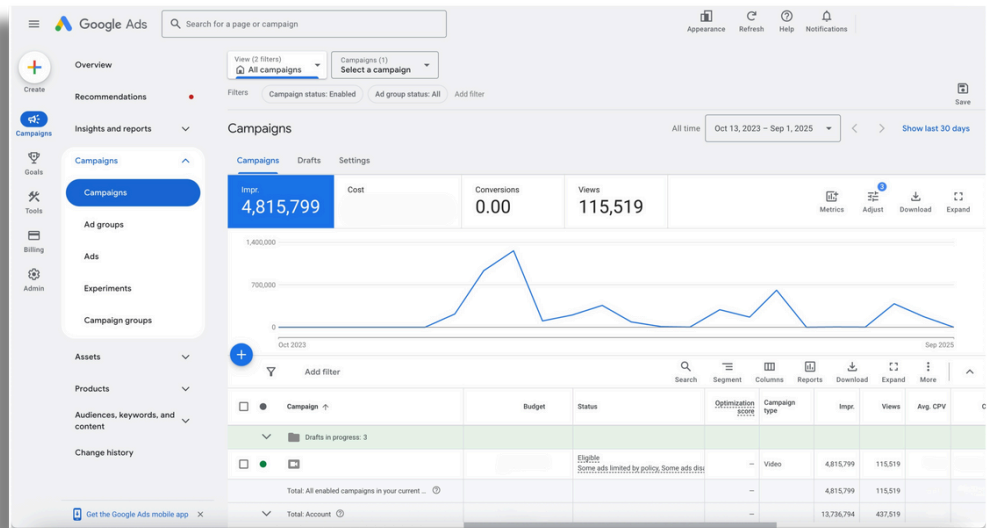

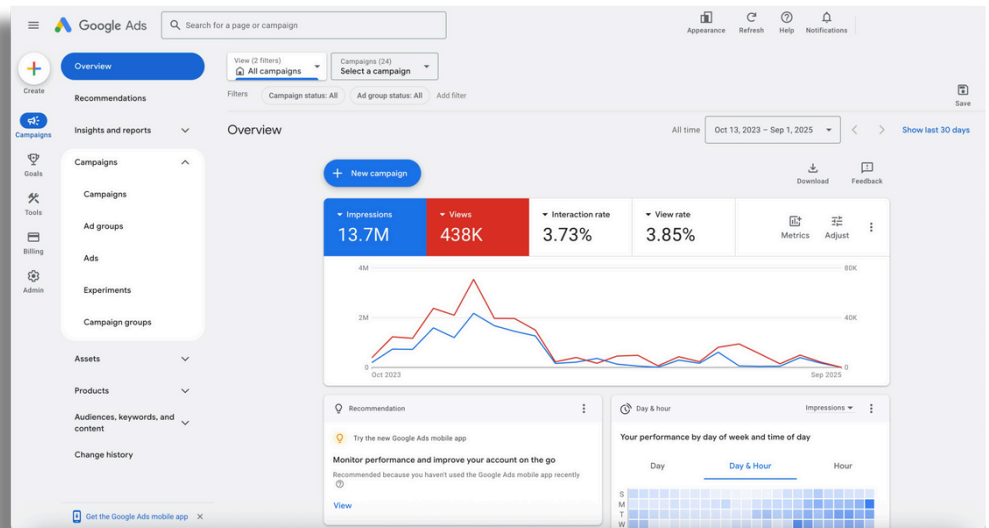

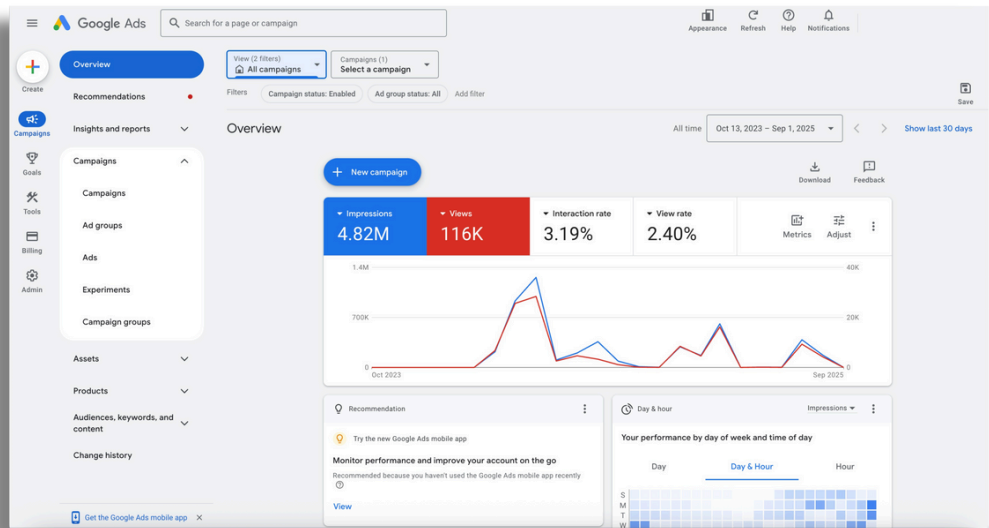

Insta Management

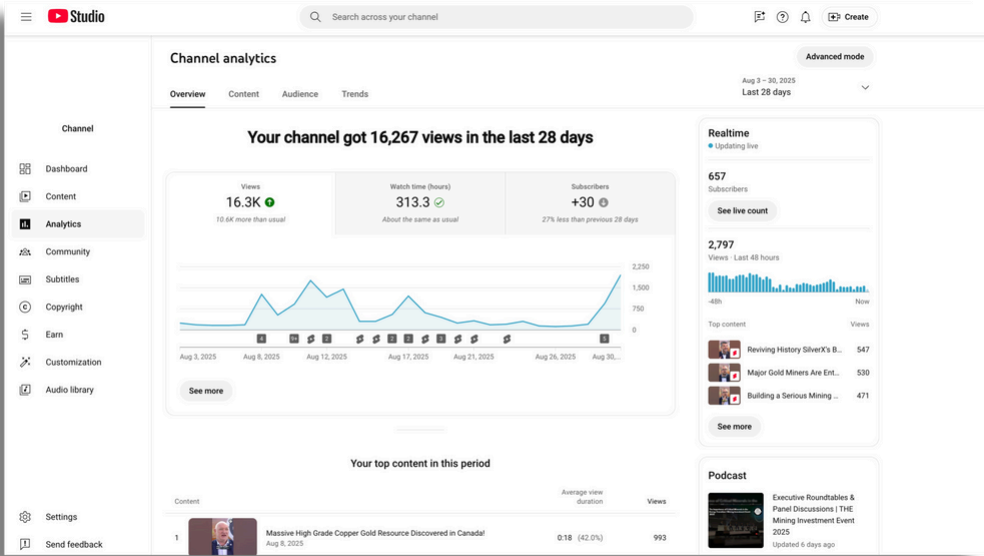

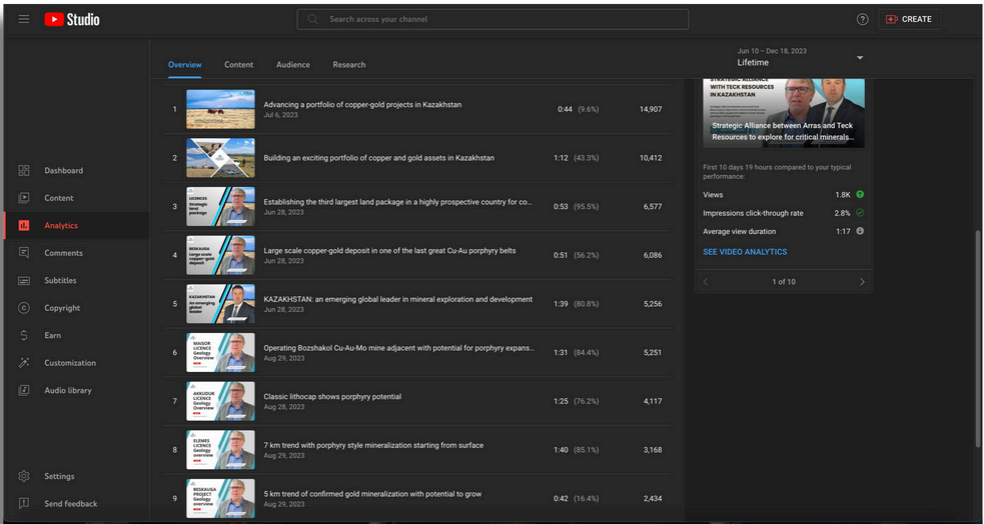

Website Traffic

Google Ads

Youtube Management

Financial Overview

Mining Discovery operates a multi-pronged revenue model:

- Advertising and sponsorship fees from industry players
- Subscription sales of premium content and reports
- Digital marketing service contracts

While exact financials remain private, the company reports consistent revenue growth each year.

Our Portfolio

Media Coverage

We are proud media partners of **The Mining Investment Event of the North in Quebec**, supporting them for two consecutive years with conference coverage, newsletters, evening chatter, magazine features, websites, and YouTube channel management.

- Exclusive media partnership with Canada's premier **mining investment event**.
- **Two consecutive years** of trusted collaboration and impactful delivery.
- Full-spectrum coverage: newsletters, evening chatter, magazine, and websites.
- Professional YouTube channel management to amplify conference visibility.

DIGIPOWER X

June 2, 2025

DIGI POWER X REPORTS \$4.3M IN MAY REVENUE, EXPANDS AI DATA CENTER FOOTPRINT

Digi Power X Inc. (Nasdaq: DGXX | TSXV: DCX) delivered strong performance in May 2025, reporting **\$4.3 million in total revenue**, up 23% from April. This included the production of 35 BTC (valued at \$37M) through a mix of self-mining and colocation, plus **\$0.6M in power sales**.

The company remains **debt-free**, holding **\$9.3M** in cash, BTC, and deposits as of May 31. The slight dip from April's \$10.2M was due to **\$0.6M in infrastructure investments** and **\$0.2M in carbon credits**, underscoring Digi Power X's commitment to long-term, sustainable growth.

Super Micro Partnership
Digi Power X is collaborating with **Super Micro (SMCI)** to deploy customized **B200 GPU racks** at its new Alabama data center. Initial deployment is expected within **120 days**, with full-scale testing in Q4 2025. The project is designed to scale to **22 MW by 2026** and **55 MW by 2027**.

Clean Energy Update
Digi Power X's **5.5 MW community solar project** in New York has already generated over **\$100,000 in electricity credits** for its Buffalo facility since commercial operation began in September 2024. The company is now exploring **battery energy storage integration** via **NYSERDA incentives**, supporting New York's 2030 goal of 6 GW in storage.

In upstate New York, Digi Power X's 5.5 MW community solar array has generated \$100K+ in bill credits. It's now exploring battery storage integration via NYSERDA incentives.

U.S. GOLD

June 2, 2025

U.S. GOLD CORP. TO JOIN RUSSELL 3000® AND RUSSELL 2000® INDEXES

U.S. Gold Corp. (Nasdaq: USAU) will be added to the **Russell 3000®** and **Russell 2000®** indexes following FTSE Russell's annual reconstitution. Inclusion becomes effective **after market open on June 30, 2025**, based on rankings from April 30.

The **Russell 3000** represents the 3,000 largest U.S. public companies by market cap, while the **Russell 2000** focuses on small-cap companies. U.S. Gold's stock will also be included in the associated growth and value indexes.

With over **\$10.6 trillion benchmarked** against Russell indexes, inclusion boosts visibility and potential investment interest from institutional funds.

U.S. Gold Corp. is advancing a portfolio of U.S.-based gold and copper projects, including the **CK Gold Project** in Wyoming, **Keystone** in Nevada, and **Challis Gold** in Idaho.

This is a huge validation of our progress, especially at the CK Gold Project," said Chairman Luke Norman.

POWER METALLIC

June 9, 2025

POWER METALLIC EXPANDS NISK-LION PROJECT BY 300% WITH MAJOR LAND ACQUISITION

Power Metallic Mines Inc. (TSXV: PNP) has acquired **167 km² of claims** from **Li-FT Power Ltd.**, increasing its land position by over **300%** to approximately **212.86 km²**. The 313 newly acquired claims strategically surround the company's Nisk property, home to the **Nisk, Lion, and Tiger polymetallic discoveries**.

The acquisition solidifies Power Metallic's control of nearly **50 km of prospective basin margins**, unlocking a district-scale exploration opportunity in a geologically rare polymetallic system. The company paid **\$700,000 in cash** and issued **6 million shares** (with transfer restrictions), while **Li-FT retains a 0.5% NSR**.

Drill Program Underway
A **fully funded 100,000-metre drill program** is in motion through 2026. Crews are active along the Nisk-Lion-Tiger trend, while integrating new Li-FT claims. By fall, drill capacity will ramp to **six rigs**, with a focus on fast-tracking high-priority targets.

Summer Exploration Focus

- **Data integration** from Li-FT and Power Metallic datasets
- **Airborne + ground EM surveys**
- **Systematic mapping & prospecting** based on geochem anomalies
- **Targeted follow-up drilling**

Targets available to Power Metallic prior to acquisition of Li-FT lands

New land package overlain on basin geology

"Now is the time to own the whole opportunity," said Director Steve Beresford.
"We're building Canada's next major polymetallic district," added CEO Terry Lynch.

FIREFLY METALS

June 5, 2025

FIREFLY METALS SECURES \$72M+ TO FUEL GREEN BAY COPPER-GOLD EXPANSION

FireFly Metals (ASX, TSX: FFM) has locked in more than **C\$72 million (A\$76M)** in fresh equity funding to accelerate development at its flagship **Green Bay copper-gold project** in Newfoundland, Canada.

The dual-raise includes:

- **C\$25.8M** via a bought deal financing led by **BMO Capital Markets**, offering 30M shares at C\$0.86 each (plus a 10% over-allotment option).
- **A\$46M** through an Australian equity raise managed by **Canaccord Genuity**, split across an A\$12M charity flow-through placement, A\$29.9M institutional placement, and an upcoming A\$5M retail share purchase plan.

Use of Funds: The proceeds will fund **underground development, drilling, exploration, and pre-construction activities** at Green Bay. Additional funds will cover transaction costs and general working capital.

The Green Bay project includes:

- **Ming underground mine & Little Deer project**
- **Current resource: 24.4Mt @ 1.9% CuEq (M&I) and 34.5Mt @ 2.0% CuEq (Inferred)**
- **A massive 130,000-metre drilling campaign** is underway to grow the resource.

FireFly also owns **70% of the Pickle Crow gold project** in Ontario, with an inferred resource of **11.9Mt @ 7.2 g/t Au (~2.8Moz)**.

Global Market Update: Earnings, Mining, AI, and Geopolitical Developments Drive Market Movements

Canada

PRE-OPEN

Futures are flat, as investors assessing results from domestic lenders, including TD Bank and CIBC. Meanwhile, in commodities, crude prices fell on demand concerns and the restart of Russian oil supply to Hungary and Slovakia via the Druzhba pipeline. Gold held firm, supported by a weaker U.S. dollar and growing expectations of interest rate cuts. In the U.S., Nasdaq futures declined as uncertainty over Nvidia's China business amid trade tensions overshadowed its strong outlook. European stocks turned lower, reversing earlier gains driven by Pernod Ricard's upbeat earnings. Japan's Nikkei closed higher, buoyed by Nvidia's outlook and renewed investor confidence following Warren Buffett's increased exposure to the country.

Statistics Canada is expected to show that the country's current account deficit widened to C\$19.40 billion in the second quarter from a C\$2.13 billion deficit in the previous quarter.

Palisades Goldcorp Ltd. (TSXV: PALI)

Palisades Goldcorp Ltd. (TSXV: PALI) announce that at its meeting ("Meeting") of shareholders (the "Shareholders") held yesterday Shareholders approved the re-election of Gregor Gregersen and Elizabeth Harrison to the Board of Directors of the Company (the "Board"). In addition, Collin Kettell and Philip O'Neill were elected to the Board. Former director and Chief Financial Officer Bassam Moubarak did not stand for re-election. Effective immediately, Mr. O'Neill will also serve as the Company's Chief Operating Officer.

Also during the Meeting, Shareholders approved the proposed return of capital transaction (the "Transaction") as announced in the news release dated July 24, 2025. The Transaction remains subject to receipt of the final order (the "Final Order") by the British Columbia Supreme Court (the "Court"), approval of the TSX Venture Exchange ("TSXV"), and completion of required regulatory filings. The Company will announce the effective date of the Transaction once all necessary approvals have been obtained.

All other matters put forward before the Shareholders at the meeting for consideration and approval, including the re-appointment of Deloitte LLP, Chartered Professional Accountants, as auditor of the Company at a remuneration to be fixed by the Board, renewal of the stock option plan of the Company, the grant of conditional stock options under the Company's stock option plan, as well as the potential creation of Michael Parker as a new Control Person, as such term is defined in the policies of the TSXV, of the Company, all as set out in the Company's Management Information Circular dated July 21, 2025, were approved.

Global Market Update: Earnings, Mining, AI, and Geopolitical Developments Drive Market Movements

World Markets

Euro STOXX 50 futures were up 10 points at 5,412, FTSE futures added 15.5 points to 9,289.5, and German DAX futures gained 51 points to 24,142, by 0430 GMT.

Asian stocks wobbled as blowout earnings from artificial intelligence bellwether Nvidia were offset by worries over the outlook for its China business, while the dollar remained shaky as investors bet on a near-term rate cut.

Oil prices fell as investors weighed the outlook for U.S. fuel demand with the end of the summer driving season near, while assessing potential crude supply shifts as India faces punishing U.S. tariffs for importing Russian oil.

Interest rate-sensitive U.S. two-year yields fell to an almost four-month low on Wednesday, and the yield curve steepened as traders priced in the likelihood of more Federal Reserve rate cuts with U.S. President Donald Trump aiming to make more dovish appointments to the Federal Reserve.

Gold prices edged down, as market participants awaited U.S. economic data due this week that could help shed further light on the Federal Reserve's interest rate trajectory.

"BUY TIMMINS" STRATEGY

Loyalist Exploration is executing a focused strategy of acquiring and advancing high-potential gold and strategic metals projects in the prolific Timmins Mining Camp – a district that has produced over 70 million ounces of gold and is host to one of the world's largest volcanic massive sulfide (VMS) deposits, the Kidd Creek Mine.

[Start Your Exploration](#)

Who We Are

Loyalist Exploration Limited is a mineral exploration company concentrating on acquiring, exploring, and developing quality mineral properties in the Timmins Mining District. The Company is focused on the recently announced Gold Rush gold/silver property, and the Loveland, Nickel/Copper/Gold property located in the Timmins, Ontario mining district.

We are committed to developing quality mining projects, delivering consistent value to our shareholders through fair mining practices and strong, collaborative relationships.

- ✓ Gold & Silver-focused Properties
- ✓ Nickel/Copper Exploration
- ✓ Environmentally Responsible Practices
- ✓ Transparent, Investor-Driven Approach

Partner with Mining Discovery - Let's Build Your Success Story

Mining Discovery is more than a media platform—it's your strategic growth partner in the mining industry. Whether you seek investor engagement, brand visibility, or global recognition, our tailored solutions deliver measurable impact. We help amplify your story, connect you with the right stakeholders, and position your company as a leader in the global mining ecosystem.

Our services start from just **\$99.9 onwards**, making premium visibility accessible to all mining companies, from emerging explorers to established producers. For our complete catalogue and subscription details, we invite you to **contact us directly** and discover how Mining Discovery can elevate your brand on a global scale.
